

The image displays a font specimen with the following features:

- Ligatures:** The top section shows various ligature characters including %%o, o°, ||+, @, 1, §, ., and &.
- Multilingual Support:** The middle section contains the text "Múltílíngüäl Sùpporť" in a stylized, handwritten font.
- Alternates:** Below the middle section, the word "ALTERNATES" is followed by "SS01".
- Comparison:** The bottom section shows two rows of letters: "ABCDEFGHI" and "KLMNOPR" in a standard, more structured font style.

The image displays four rows of hand-drawn, stylized letters, likely from a font specimen sheet. Each row is preceded by a label:

- Row 1: SS02
- Row 2: ADEFHILMNOR
TUVY
- Row 3: SS03
- Row 4: ADEFILMNOrUY

The letters are drawn in a bold, black, sans-serif font with varying stroke widths and some lettering variations (e.g., 'O' has a small loop, 'R' has a vertical stem). The rows are separated by horizontal lines.
